SBSG works often in the village churches and communities. Travel can be difficult. You would be a participant in various village churches while in Africa. SBSG team members are to dress appropriately. Women are to wear modest dresses or skirts and men wear nice slacks, dress shirts. Would this be something you could comply with. \_\_\_\_\_.

SBSG would like to keep you updated as what we are doing in Kenya. May we add you to our database? Your personal information will be used for SBSG communication only. \_\_\_\_\_.

How did you hear about SBSG? (Church/Friend/Website)\_\_\_\_\_.

SBSG is a working team. I can promise you that you will have an experience of a lifetime, but this is not a sight-seeing adventure. We stay in the villages with the local leaders and eat and work alongside Kenyans. Thank you for your interest in SBSG and joining our work in Africa!

By signing this application, I agree to abide by all policies and guidelines outlined in the SBSG Team handbook. I hereby certify that the information on the pages of the application are true and complete to the best of my knowledge.
